

SUSTAINABILITY

DESIGNING FOR THE ENVIRONMENT REQUIRES INNOVATIVE THINKING AND SOLUTIONS.

LIFE CYCLE ASSESSMENT

During our products development process we consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life.

Thanks to the Life Cycle Assessment (LCA) method, Steelcase quantified Westside environmental impacts to set the stage for further improvements.

This method, based on ISO 14040 and 14044 and selected by The European Union for environmental evaluation, allows us to quantify the environmental impact of our products throughout their whole lifecycle.

MATERIALS

14% recycled materials, by weight.

100% recycled cardboard and 25% recycled LDPE film in packaging.

PRODUCTION

Made by Steelcase in Sarrebourg (France).

Uses powder-coat paints: VOC-free and free of heavy metals.

TRANSPORT

Made in Europe, close to customers.

Optimised packaging to keep transport volumes as low as possible and improve filling rates.

USE

Designed for a long product life, with replaceable parts.

Materials meet stringent health and indoor air quality criteria.

Maintenance information available upon request.

END OF LIFE

97% theoretically recyclable by weight.

100% theoretically recyclable cardboard and LDPE film for packaging.

Quick and easy disassembly.

Plastic parts clearly labelled for easy sorting and effective recycling.

Designed to ensure responsible end of use strategies - refurbishing, charitable donation or recycling.

CERTIFICATIONS

To show continuous improvements, we communicate Westside environmental performance through voluntary environmental labels and declarations. Sustainability related actions and results are communicated in the annual Steelcase Corporate Responsibility report.

PRODUCT

 EPD - Environmental Product Declaration

 NF Environnement

 Indoor Advantage Gold

PLANTS

 ISO 14001 - Environmental management system

 OHSAS 18001 - Occupational Health and Safety Assessment Series

Printed on at least 60% recycled paper. Cert no. BV-COC-858659. Printed in France by OTT Imprimeurs – Wasselonne.

Steelcase

In the office

Westside's ergonomic shape and high quality finish are good for short meetings, training and teaming.

A CLEAR LINE THAT FOLLOWS THE WAY YOU SIT

Westside's smooth shape and clean, flowing lines allow true freedom of movement once the user is seated. Plus at only 4.8kg it's light enough to be easily moved around.

Out of the office

Westside works well in spaces like canteens, universities, medical facilities and welcome areas because it's easy to clean, store and move around (for indoor use only).

WESTSIDE CAN BE STACKED 8 HIGH INDEPENDENTLY

and when using a dolly, or up to 15 for a trolley.
